Rebuilding Together Hartford Volunteer Wellness Policy Guidelines

I have received a copy of Rebuilding Together Hartford's Volunteer Wellness policy. I have read and understood the policy. If I have any questions about the policies stated I will ask a Rebuilding Together Hartford Staff member to answer them. I shall follow all of the policies stated. In addition, I realize that Rebuilding Together Hartford may change the policies stated at any time.

I understand and acknowledge that even when following Wellness policies there is still a risk for contracting COVID-19 or transmitting COVID-19 to others. I understand that failure to comply with the Rebuilding Together Hartford Wellness Policies will result in my stoppage of work at a project home.

Rebuilding Together Hartford representatives will be monitoring for compliance of safety policies and will have ultimate authority in all safety matters. I hold harmless Rebuilding Together Hartford, its officers, directors, employees, volunteers or agents from any cause of action, claim, loss, demand, or suit arising from or related to: (1) the presence of any Rebuilding Together Hartford affiliate or Contractor(s) on or about the Premises, (2) any services provided by any Rebuilding Together Hartford Contractor(s); (3) the negligence of any Rebuilding Together Hartford or Contractor(s); (4) any damages to personal or real property; or (5) any injuries sustained by myself, any of my family members, or any of my invitees.
